## X. AYUSA PROGRAM AGREEMENT -- *Must be completed by Student and Parents*

AYUSA International its agents, affiliates, officers, directors, staff, regional and local representatives (collectively "AYUSA") and the undersigned parent(s) or legal guardian(s) ("Parents") and student ("Student"), understand and agree to the terms and conditions stated in this Program Agreement ("Agreement") relating to Student's participation in AYUSA's student exchange program ("Program"). Parents and Student are referred to collectively as the Participants ("Participants"). Adults(s) and their resident children who volunteer to host a student for the Program term are referred to as the Host Family ("Host Family"). The Student's Program whether taking place in the United States or abroad will be referred to as the Host Country ("Host Country").

**A. Admission:** AYUSA considers many criteria in determining whether to admit the Student into the Program including but not limited to a Student's application packet, academic background, high school transcript, age, education level, physical and mental health, references, essay, and personal interview. All AYUSA Students must meet the selection standards as defined by Program requirements. AYUSA does not guarantee students will graduate or receive a diploma from their Host Country high school.

**B. Placement:** AYUSA has the sole discretion to determine whether the Student will be admitted into the Program and such determination is final. While AYUSA makes every effort to take individual needs into consideration in placing Students with Host Families, AYUSA may be unable to accommodate all preferences and characteristics of the Student in the placement process.

**C. Living Expenses:** Parents agree to provide the Student with a sufficient amount of spending money to cover personal expenses and incidentals during the Program so as not to be a burden on the Host Family. AYUSA recommends \$200 US per month for most countries. Students are expected to reimburse the Host Family for extraordinary expenses such as personal telephone calls, textbooks, school activity fees, or damages that may occur.

**D. Dissimilarities or Differences in the Host Country:** In addition to learning the language of the Host Country, the Student is expected to make every effort to adapt to the culture and lifestyle of the Host Family and the Host Country. There may be significant cultural, economic, and lifestyle differences between the Student's home country and Host Country including those in health care services, living conditions, transportation systems, educational systems, criminal justice, civil liberties, customs, values and acceptable behavior with regards to age and gender. Some Host Country differences may be relatively inferior or unreliable in comparison to the Student's home country while others may be superior. Living conditions may also vary between Host Families even within in the same community. Participants must be aware of and accept these differences as part of the Program, and accept the risks associated with traveling and living in another country. The student's level of maturity must be adequate to recognize and cope with these differences and challenges.

Parents must take responsibility to educate and prepare the Student for the inherent risks associated with foreign travel and living abroad. Program Representatives will regularly monitor the Student's progress and are available in person or by telephone to provide regular ongoing support and emergency assistance during the Program. However AYUSA cannot and does not provide constant direct supervision of the Student. The Student must be responsible for taking the initiative to communicate with AYUSA and seek help as soon as she/he needs assistance.

As a condition of acceptance into the Program, the Participants agree and hold AYUSA harmless for all injuries and/or damages incurred during the Student's participation in the Program resulting from any risks associated with international travel and living abroad, and any negligence and/or intentional acts caused by any third party, including but not limited to any member, guest, employee or agent of the Host Family or other person in the Host Country.

### **E. Rules for AYUSA Students:**

1. **Host Family Regulations:** Students must obey host family regulations regarding curfew, smoking, drinking, dating, or household chores for which they are responsible. They may not have guests in the Host Family home without their Host Family's consent and supervision.
2. **School:** AYUSA is an academic program. Students are responsible for attending school and achieving satisfactory grades. They must follow all attendance requirements at the high school. Students who are expelled from high school due to absenteeism, poor behavior or low grades will be dismissed from the Program.
3. **Laws of the Land:** Students are subject to the authority and laws of their Host Country and must obey all national, state, and local laws and school regulations. Exchange students enjoy no special immunities from prosecution. Participants agree to hold AYUSA blameless for any or all consequences that may result from the Student breaking the law of the land.
4. **Drugs:** The use of non-prescription drugs or controlled substances is illegal. Students may use only those drugs prescribed by their doctor (or patent medicines available over-the-counter in the Host Country). Use of illegal drugs during the AYUSA program is grounds for immediate dismissal. Exchange Students arrested for drug possession will face the same penalties as citizens of the Host Country including mandatory fines, prison terms or severe penalties.
5. **Alcohol:** Students may not drink or purchase alcoholic beverages including beer and wine. Possible dismissal from the AYUSA Program may result from breaking this rule.
6. **Driving:** Students may not drive motor vehicles during their program, even if they are in possession of a valid US driver's license.

7. **Travel:** Students may not hitchhike or travel independently. Nor may Students travel while school is in session without the written permission of their school. Any travel that a Student undertakes should be limited to school vacation periods after the Christmas holiday. To travel, a Student must be accompanied by a responsible adult (25 years or older) and have written permission from AYUSA San Francisco, their Regional Manager, Host Family and Parents. To travel after the Program, Parents must give written permission and sign a Program Release Form. Students may not visit their Home Country during the Program.

8. **Life-Changing Decisions:** AYUSA Students may not initiate “life-changing” decisions while on the Program. This includes changing religion (though a Student may explore the tenets of any faith), pregnancy, and marriage. Because of the life-changing impact of these decisions it is better to wait until the experiences and attachments coming from an exchange in the Host Country can be viewed from the perspective of the student’s own culture. Students may also be dismissed from the Program if they develop a life threatening medical disorder such as anorexia or bulimia that cannot adequately be treated while on the Program.

9. **Parental Visits:** Visits from parents and friends from the student’s home country can be extremely detrimental to the student’s adjustment and language learning no matter how well intentioned. Therefore these visits are not sanctioned. Family and friends from the Students home country may not visit the Student in the Host Country until the conclusion of the program. Likewise, any travel that a student undertakes with his or her parents must take place after the student completes the program. Participants who ignore this rule must accept responsibility for their actions and may result in dismissal from the program. Participants understand that while AYUSA reviews each Student’s situation on a case-by-case basis, infraction of any of the above rules and/or unacceptable behavior may be grounds for dismissal from the AYUSA Program. AYUSA reserves the sole and final right for decisions on Student dismissals and may return a Student to their home country immediately at any time at their own expense.

**F. Insurance:** All Students are required to have insurance in effect for the duration of the program covering sickness and accident in the Host Country. Policies may not cover pre-existing conditions, injuries resulting from driving motorized vehicles, certain categories of sports injuries, injuries resulting from the commission of a crime, self-inflicted injuries, or injuries sustained from participation in high-risk (extreme) sports. Participants agree to familiarize themselves with the coverage, exclusions and limitations of their insurance policy and to consult with their AYUSA representative and their insurance provider beforehand to determine what activities are excluded from coverage.

**G. Health Care Treatment:** AYUSA will normally consult with Parents before authorizing any medical care for a Student. However, a situation requiring immediate attention could conceivably occur. In such a case the Participants consent and authorize AYUSA or adult Host Family member to obtain without obligation, and at their discretion, any necessary medical, dental, surgical, psychological, psychiatric or hospital care, prescribed by a health care authority, for the immediate welfare of the Student. The Parents authorize the health care provider to release the Student to AYUSA, or adult Host Family member and to release all health care records relating to the Student to AYUSA.

**H. Legal Proceeding:** Participants consent and authorize AYUSA to pursue or defend any legal proceeding regarding the Student during the Program, costs to be reimbursed by Parent(s). However, AYUSA or any adult Host Family member is not obligated to pursue or defend any such legal action or proceedings. The Participants authorize any court, law enforcement agency, or any other government agency to release the Student to AYUSA in the event that the Student is detained or held by any such entity.

**I. Use of Student’s Name and Likeness:** Participants consent and authorize AYUSA to use the Student’s name, photograph, file or video likeness of Student or any comments or statements of Student in materials or publications to promote the Program.

**J. End of Program:** Students are expected to return to their home usually within two weeks after their Program end. Neither AYUSA staff nor the Host Family will be responsible for a Student who remains illegally in the Host Country after the end of the Program. A Student who ignores this regulation faces severe fines and penalties, which may include disbarment from future re-entry into the Host Country. In addition, a Student will not be covered by any insurance policy held by AYUSA after the Program end. Participants expressly release AYUSA, its’ representative organizations, and the Host Family from all liability, injury, damages or claims incurred after the termination of the Program.

**K. Problem Notification and Resolution:** AYUSA provides ongoing support of all Students, however Students cannot be continually supervised or controlled by AYUSA. It is the responsibility of the Student to advise AYUSA of any significant problems, such as concerns about health, safety, adjustment problems with school, language or culture or issues involving the Host Family. AYUSA will make every effort to intervene and resolve these problems to help the Student successfully complete the Program. In this effort, AYUSA may, in its sole discretion, seek a replacement Host Family, if possible within the same community. However, if the Student does not make a substantial good faith effort or if the Student violates any terms of this Agreement, AYUSA may, in its sole and absolute discretion, terminate the Student’s participation in the Program and immediately repatriate the Student to the home country.

**L. General Release and Hold Harmless Provisions:** As a condition of Student’s participation in the Program, the Participants agrees to release and hold AYUSA harmless for injury, loss, delay, or any damage and expense incurred by the

Student due to: (i) any incident beyond AYUSA 's reasonable control, including, without limitation, force majeure, crimes of violence, acts of war, or government actions and restrictions; (ii) any events directly or indirectly caused by intentional or negligent acts or omissions by any third party, including but not limited to any member, guest, employee or agent of the Host Family or any other persons in the host country; (iii) risks associated with foreign travel and living abroad, including but not limited to risks associated with health care, sanitation, transportation, crime, justice, legal systems, customs, and values; (iv) any differences in the living conditions and standards between Student's home and home country and the host home and Host Country.

**M. Indemnification:** As a further condition of Student's participation in the Program, the Participants agree to indemnify and hold AYUSA harmless from any liability or expense, including court costs and attorney's fees, resulting from any injury, loss or any other damage or expense caused by the Student during his/her participation in the Program.

**N. Arbitration and Venue:** This agreement shall be deemed to have been made in the State of California, USA and its validity, construction, breach, performance and interpretation shall be governed by the laws of the State of California, USA. The parties to the Agreement acknowledge and agree that any dispute or claim arising out of this Agreement, any resulting or related transaction, or the relationship of the parties, shall be decided by neutral, exclusive and binding arbitration in San Francisco County, California, USA. The arbitration shall be conducted before JAMS/Endispute, Inc. Either party may appear telephonically at the arbitration hearing. The award of the arbitrator may be enforced in any court of competent jurisdiction located in the State of California, USA. In the event that the arbitration clause is deemed void or inapplicable, each party expressly consents to and submits to the personal jurisdiction of the federal or state court (s) of San Francisco County, California, USA. In any action, including arbitration, brought for breach of this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and costs, including, but not limited to, the costs of arbitration.

**O. Ratification of Contract:** In the event the Student is under the age of 18 at the time of execution of this Agreement, and the Student attains 18 years of age while participating in the Program, the Student agrees that continued participation in the Program after he/she attains 18 is deemed a ratification and adoption of all the terms and conditions of this Agreement.

**P. AYUSA Program Agreement Controls:** Where there are any differences between this Agreement and any other program materials, the Agreement shall control. AYUSA cannot be legally bound or committed by any person other than a duly authorized representative. Parties are required to follow this Agreement and cannot vary from its terms.

**Q. Modification:** This Agreement shall not be modified except by a writing that is executed by all parties hereto.

**R. Severability:** In the event any clause, sentence, term or provision of this Agreement shall be held by any court of competent jurisdiction to be illegal, invalid or unenforceable for any reason, the remaining portions of this Agreement shall remain in full force and effect.

**Signatures:** We have read and fully understand the program materials and agree to adhere to the AYUSA Rules for Students and the AYUSA Program Agreement and Consent Agreements.
