

Ayusa Golden Tickets

As a token of sincere appreciation of high school support of international understanding and cultural exchange, Ayusa rewards hosting high schools with Golden Ticket credits to give at their discretion to any student participating on an Ayusa Study Abroad.

Schools that have hosted at least 1 Ayusa exchange student since 2008 will receive a \$500 credit for each successive Ayusa international student that studies at that school. Once a credit has been given to a student, it cannot be re-used, but schools will continue to earn credits for each Ayusa student they host. There is no limit to the number of credits that a school can earn, but in order to allow more students to take advantage of this program, a student can only use 1 ticket per Ayusa Study Abroad program.

We hope that one or more of your students interested in studying abroad and exploring other cultures will be able to use this to help them realize their dreams and achieve their goals!
