International Education Week

November 14th~18th

***International Education Week (IEW)** is a joint project between the U.S. Department of State and the U.S. Department of Education. It was created in an effort to promote international understanding and cooperation through education and exchange. **ALL** individuals and institutions interested in international education and exchange activities are encouraged to participate. Ayusa students are encouraged to make cultural presentations in their host communities as part of IEW.*

***Where and When does it take place?** IEW occurs during the week of November 14-18, 2011. You can present in school, at your religious institution, to after-school clubs, at your local nursing home, etc. Ayusa strongly encourages all students to participate in IEW and offers a contest for which the top three presenters win amazing prizes.*
